

Imagine a place as uplifting for the soul as it is relaxing for the body.

A place of understated luxury and utter comfort, where you are surrounded by beauty at every turn – a place that, in bringing together the finest art and the warmest hospitality, brings people together from all over the world to share and experience both.

Such a place is the Elma Arts Complex Luxury Hotel. Located atop the hills of Zichron Ya'akov, its elevated position allows for breathtaking views of the Mediterranean.

Elma itself is a work of art.
